

# **Ray Wilson and Band**

## **The 2007 Show**

**Ray Wilson**, accompanied by Guitarist **Ali Ferguson**, Bass Player **Lawrie MacMillan** and Drummer **Ashley Macmillan** will perform songs from his unique career.

Ray has recorded six studio albums since 1994, including *The Minds Eye*, with Stiltskin and *Calling all Stations* with Genesis, he has also performed with artists as diverse as DJ Armin Van Buuren, The Scorpions and the legendary Berlin Philharmonic Orchestra. The 2007 show will contain tracks from right across his career including a few Genesis classics and songs from the latest release "She".

Change, Another Day, Inside, Carpet Crawlers, Lemon Yellow Sun and Shipwrecked are just a few songs regularly played during this 90-120 Minute Show, a show that is also filled with some amusing anecdotes.
